

Have Yourself a Haunted Little Christmas

(Sing to the tune of "Have Yourself a Merry Little Christmas")

*Have yourself a haunted little Christmas
Let your heart be light
From now on our troubles will be out of sight
(Why? Because we're having fun making books!)*

*Here we are in a haunted house
See the haunted mouse, our friend
Animals that are dear to us
Gather near to us with pen*

*Through the years we'll write and draw together
'Tis a hoop-a-lah
Then we'll climb up high into the cupola
And have ourselves a haunted little Christmas now*
